

# IMPORTANT LIBRARY UPDATE

Occurring **February 5-7, 2024**, all libraries of the Berks County Public Libraries System will be **transitioning to a new catalog system**.

## WHAT TO EXPECT

There will be a catalog freeze as we migrate to a new system:

- **Monday, February 5**
- **Tuesday, February 6**
- **Wednesday, February 7**

The library catalog will be unavailable to browse or place holds on library materials. *Patrons will be able to borrow materials from the library during the freeze, but they must bring their library card with them when visiting the library during this time.*

## UPDATES

Periodic updates will be shared in the library and online at [www.berkslibraries.org/migration](http://www.berkslibraries.org/migration). While we will be working behind the scenes to make this transition as seamless as possible, there will be some disruptions in library services.

We're here to help in any way we can during this process. Thank you for your patience and cooperation during this transition.
