

LONGWOOD GARDENS

2024 Community Read

Community Read
Read. Think. Engage.

Longwood Gardens Community Read is a collaboration between Longwood Gardens, local libraries, and museums to provide a community-wide read of two books, one for children and one for adults, that takes place from March to May 2024. The award-winning Community Read program is designed to bring books and people together, and spur discussion around an important topic or idea.
