Watch the clouds in the sky. What do you see? What other shapes do you see in the park?

Use chalk to write a friendly message for someone to find.

Do you see another child at the park? Ask if they'd like to play with you.

Repurpose empty bottles, and fill them with kind notes to brighten someone's day. Leave them on doorsteps or in mailboxes for friends, neighbors, and family.

Create your own silly jokes. Share them with friends and family

Draw a picture of what you imagined in the park. Add details to make it come alive!
