PAGES ²⁰²³ GRATITUDE REPORT

A Publication of the Reading Public Library

Oh, What a Year!

It has been an innovative year of growth at the Reading Public Library with new initiatives, a re-branding, and expanded community services.

After months of diligent work, our marketing department rolled out a new website and a new family of logos for the Reading Public Library, the Reading Public Library Foundation, and the Reading District Libraries. This re-branding creates a streamlined and unified look for the library.

Our most significant projects this year focused on bridging the digital divide in our community, one of the tracks in our Strategic Plan. We started circulating Hotspots to patrons, began a large-scale project to digitize our PA local history collection, and created two new employment positions for our digital literacy initiatives. A grant allowed us to create a Bilingual Paraprofessional position in the Reference Department to offer bilingual reference assistance and teach bilingual computer classes. The City of Reading provided ARPA grant funds to support the creation of a Digital Literacy Navigator. This Navigator teaches seniors how to use digital devices and use the internet for everything from connecting with loved ones to attending telemedicine appointments.

Other exciting projects in 2023 were RPL becoming an official Passport Agency and the grand opening

of our first Storywalk. In March, we installed a new, state-of-the-art meeting room for our Northeast Branch. Working in partnership with The Food Trust, we proudly presented the first Community Fridge in Berks County. Located at our Southeast Branch and made possible by a United Way grant, this Community Fridge will help alleviate food insecurity, reduce food waste, and promote positive community interactions. We've even installed a new generator and an HVAC system at the main branch.

Matter Monsters, one of our many STEMventure programs.

In 2023, the library received approximately \$390,000 in private funds and grants. \$184,050 came from grants. \$12,500 in EITC funding was received for our Food for Thought children's program. Other support came from our annual fundraisers, Cocktails and Classics and Celebrity Bartender, as well as a new fundraising partnership with the Berks County Parrot Heads.

Additionally, the City of Reading agreed to provide a \$90,000 increase in their annual contribution to the Reading Public Library starting in 2024. We truly appreciate the support and generosity of all our partners, without whom we would not be able to accomplish all that we do.

As we continue to look for ways to improve services and better meet the needs of the community, we hope that the changes we make today will help transform the future.

Thank you for your generosity!
